

# ASSIGNMENT: Reflection note

Due in Inspira at 25.11.2024

## Format requirements

- Maximum of 200 words
- Written in the Inspira text-box

## Content requirements

- Mandatory:

What would you do differently if you started now? Write 5 things you would improve or do differently with your poster and/or video assignment.

- Optional:

Is there something that needs to be clarified in the poster or video? Write a maximum of 5 sentences to clarify something in your poster or video. For example: for which platform your video is made and the target audience. Some crediting you want to explain. Or anything else you feel your examiners need to know?
